

## Company L'Arbre à Vache

### M & Mme POISEAU

#### Technical requirements – FLIGHT RIDER

- **DURATION** : 55 mn
  - **ACTING AREA** :
    - 6 m aperture x 5 m depth x 4 m height *Optimal: 10 m aperture x 8 m depth x 5 m height.*
    - *Minimum: 6 m aperture x 5 m depth x 3,2 m height.*
    - We need **a place to hide a surprise** (4 m aperture x 1,5 m depth x 3,2 m height) in the **left side** of the pitch. **Provide system** (structure with curtains for example...) to hide it from the audience and the wind.
- A flat hard and direct floor (ground)**, (no stage), small square, garden, street, in front of trees, a wall, a building, without passageway in the back. **A quiet and nice place where to people could have a birthday party outside lunch.**
- Possibility to adapt inside (the inside pitch can't be equipped with smoke detection system).
  - **A power supply 220V - 16A** (for the sound control) near from the stage.

- **Lights:** supply a full up lights system if the show take place by night or inside (2 PC1000 on 2 feet and graduate lightning on the audience).
- The organisation supply a **dressing-room**, supervised or closed with a key **near from the acting area**, equipped with a table, two chairs, a mirror.
- We need a place with hot water to wash dishes between the shows.
- We need to wash our costumes every day (laundry machine).

**Caution :** a bit of milk, some confetti, and wheat are spread on the stage.

### - **SUPPLIES**

The organisation must supply few current little things we can't bring with us :

*For each shows :*

- Local language « happy Birthday » banners (otherwise, we have english or french ones)
- 2 eggs
- a banana
- a tetrapack brick of milk **without cap**

*For every shows :*

- an empty and transparent **glass bottle**
- **lights** for inside or nightly shows
- **a system to hide the surprise**
- a 220V / 16 A **local plug adaptator** from european plugs (if necessary)

## - **TIME ORGANISATION**

- **D -2** : Arrival of the crew.
- **D -1** : Luggages and supplies check up / Surprise set up
  
- **D** :
  - **H -3 / H -1 :30** : installation on the pitch
  - **H -1:15 / H -0:00** : Actor's Training, make up in the dressing room

**Time minimum between two shows: 2 hours and 30 mn from the end of the first show to the beginning of the second one** to clean the pitch, set up the surprise and make up again.

- **H +0:00 / H +1:30** : Breakout time
- **H +1:30 or D+1** : repacking (it depends on the schedule of our sets)
- **D+1 or D+2** : Leaving.

## - **THE CREW ON TOUR**

- 3 people in single room from D-2 to D+1 or 2
- Full hot meals and breakfasts from arrival to leaving (2 veggies)
- Flight departure : Bordeaux (France), or 0,60€/km to Paris Airport (round trip).
- 7 luggages including 2 oversized ones for the shows (4 extra luggages) x 23 kgs
- 3 cabin luggages with the crew's personals belongings.
